TO-DAY'S GAMES. Youngstown at Wheeling, Mansfield at New Castle. Springfeld at Toledo: Dayton at Fort Wayne.

The Wheelings won the first game of the series with Youngstown yesterday afternoon, after nine out of every ten in the audience had made up their minds that Wheeling was to be defeat-ed. Whissen had been put in to pitch, and in the third inning he was very wild, and in addition was hit hard, the result being five runs. As Wheeling had never been able to do anything with "Jack" Roach's curves the game was given up as hopeless. But, Ly-tle was game, and replaced Whissen with Parvin, who pitched an elegant game of ball. He relieved Whissen in the third inning, after five runs had been scored with but one hand down. Berte he struck out, and the next and Third out was Roach, who sesnt a fly to right field, which "Pop" negotiated Dobbs opened the game with a

Latimer threw for the out, but the throw was wide and low-results, Niles safe on second and Dobbs scoring the first run of the game from third base. Lyons' out to Wright sent Niles to third, but Turner was the third out.
In the second inning, Whissen gave

two bases on balls and hit O'Brien, filling the bases, but Roach was the third out, Whissen to Turner. In the third, however, Whissen was not so lucky. Pender walked, Truby hit for two bases, Connor drew a base on balls, O'Brien was hit by a pitched ball, Durrett singled and Latimer hit for a double, total of five runs. Just here Parvin relieved Whissen, and struck out Berte, while Roach sent a fly to the outfield for the third out. "Bones" outfield for the third out. "Bones" was heartly applauded for his fine

Wheeling got in the game in the fifth inning. With Cote an out, Leahy, Parvin, Dobbs, Niles, Taylor and Lyons made singles in a row. Turner was safe on Pender's error, and Lytic made his second single. BASE BALL COMMENT

The Wheeling and Youngstown teams do not play a double-header this afternoon. Instead, only one game will be played, which begins at 3:45 o'clock. Wells or Poole will pitch for the Stogies, and McFarland will twirl for the visitors. A double-header will be played Saturday.

The Inter-state race became most interesting through the shut-out victory achieved by New Castle over Mansfield. If New Castle out take three straight the result will be very much in doubt. Wheeling closes the season at New Castle next Monday, Tuesday and Wednesday, and if may devolve upon the Stogies to knock out the Quakers' pennant aspirations. Most Wheeling fanathow-ever, would rather see New Castle than Mansfield win the rag.

Favin jumped into the game yester-day after Willsten had let the Glantz accumulate what looked to be an over-whelming lead, and pitched a great ar-ticle of ball, allowing only five hits and he runs, while the Stogles were show-less Reach how indifferent a pitcher he really is.

Lett-One enappy, singery ball from, that played better ball than any learn in the Inter-state a few months ago, information will be cheerfully received by the patrons of the game in Toledo.— Toledo Blade.

Up in Toledo they are hard losers. This, from the Toledo Blade, voices the

feeling there: What has become of the famous ball tossers who started the season with such a show of form in Toled? They seem to have resolved into a set of pikers of late, with no ambition to win a same, and only the thought of the season's end in their minds. Perhaps the bad showing of the team is due to the fact that to-dny's team is exactly the same which opened the season with Fort Wayne in this city. Not one change has been made in the entire season, and only three players have been out of the game, a week's lay-off beliff the longest. No team in the league has this record, in fact three of the teams have changed completely twice over. A little new blood might not be a bad thing at some stages of the game.

### NATIONAL LEAGUE

BROOKLYN, Sept. 14-The Brooklyn BROOKLYN, Sept. 14.—The Brooklyns made it four straight by taking to-day's double-bender from Pittsburgh and captured the series by sight to six. With the exception of the fourth inning McJames pitched a star game in the first, striking out eight men. Williams was a particular mark, fanning out four times, despite his home run over the fence. Leever was hit hard and was succeeded by Gray, who gave Brooklyn two runs on a wild pitch and then did good work. In the second game Kennedy was in fine fettle while Hofter was batted in timely fashion. The game was called in the seventh on account of darkness. Scores; FIRST GAME

A new school building is a strong probability next year. It is badly needed in the central part of town, the Central school now having \$25 pupils, a large increase over the corresponding period last year, and as there are 70 children in some rooms, the need of a larger building is apparent. With this end in view the board of education purchased a piece of property last year on Water street, south of the school, and work on a school is expected next year. The lot is 150 feet front by 100 deep.
